

Dear Friends,

**Join us for Koffee with Koning,
a virtual chat about creating
partnerships to change the world.
Tomorrow (May 6) at 9am Pacific Time**

Join ReachAnother board member, **Joanne Mathews**, for a fascinating discussion with **Dr. Marinus Koning**, founder of Reachanother and special guest, **Dr. Vijaya Kancharla**, Deputy Director of the Center for Spina Bifida Prevention at Emory University Rollins School of Public Health.

We will explore how strategic partnerships such as the one with Emory University, amplify ReachAnother's impact in Ethiopia and help further our mission to solve the neural tube defect crisis through preventative food fortification.

Sit back, relax and have your morning brew with ReachAnother...
